Angus & Charolais Bull & Female Sale

SATURDAY, FEBRUARY 10, 2024

**30 Angus and Charolais Bulls sell, along with 10 Angus bred females.
Massena Livestock Sales, Massena, IA • Lunch provided • Sale starts at 1pm**

Dear Friends and Fellow Cattlemen and Women:

My family and I invite you to our Annual Bull & Female Sale on Saturday, February 10, 2024 at Massena Livestock Sales, Massena, Iowa starting at 1:00 pm CST.

What a great time to be in the cattle business! As you know, the national cowherd has shrunk with massive cow slaughter resulting in record fat cattle and feeder cattle prices this last summer and fall. Although the prices have backed off some, they are still good and should be for several years to come. We hope everyone gets to share in the profits from this record market. We really enjoy seeing our customers rewarded for their hard work. That is why we do what we do, and we are humbled to be a small part of your success.

Again this year, you will find a few bulls on the sale that are from the herd of our grandson, Zach Steward. Zach has a keen interest in continuing the hard work and tradition of raising Angus and Charolais seedstock. We welcome his passion for agriculture and specifically, raising purebred cattle.

Every year before A.I. season, we spend a lot of time studying pedigrees and EPD data of nationally-acclaimed bulls to determine which ones to use as potential sires. This year S Architect 9501, Tehama Testament, Growth Fund, LT Patriot, as well as our Windfall bull, have done quite well for Zach and myself. The bulls selling in this sale once again exemplify the performance genetics that their pedigrees indicate they should possess, they are sound footed, and packed full of red meat and muscle.

We sure hope you can join our family on February 10 for a sandwich and a chance to talk cattle. If not, we encourage you to reach out to us for any additional information or let us know if there is anything that we can help you with. Remember, this is a small family operation where everyone gets to enjoy a little manure on their boots.

Thanks for your interest,
Dean Carstens

Terms: Terms of the sale are cash or check payable upon the conclusion of the sale and before the animals are removed. Cattle will sell under the standard terms and conditions as recommended by the American Angus Association.

Breeding Guarantee: Carstens Farms guarantees all bulls sold are fertile and sound breeders. If a bull is proven to not be a breeder he may be returned if healthy and in adequate condition. THE CARSTENS FAMILY

Dean and Melodee Carstens 1709 Fallow Ave. Adair, IA

As a service to you, we will winter the bulls not taken home sale day free of charge until May 1, 2024. After the bulls are sold, they are your property and responsibility. We recommend mortality insurance for your bulls. We ask that females be moved as soon as possible.

Livestock Mortality Insurance: If you would like livestock mortality insurance, we will assist you with it.
