Welcome Cattle Producers,

We would like to invite you to the ranch to view the Hereford bulls and F1 Black Baldy replacement females that we will offer in our 65th Annual Production Sale.

Before we get into the sale details, we just want to take the opportunity to express our gratitude to you our customers and friends. At the beginning of August, we lost our 17-year-old, Randa, in a tragic car accident. The outpouring of support that we received from near and far was truly humbling and we can never thank everyone enough.

This past year has been a challenging marketing year along with extreme drought in our area. We started feeding the bulls in September, due to the pastures lack of grass. The bottom line is being stretched so thin these days. Hereford sired cattle provide efficiency and longevity as well as carcass merit. Hereford bulls provide so many traits that just don't come through on EPD's, like libido, adaptability, fertility, and docility.

Again, this year we will be offering our home raised F1 Black Baldy replacement heifers. These heifers will be the top end and are extremely fancy. They have been through the working chute several times to be screened for disposition. All the twins have been removed. They will be Bangs vaccinated. They will all make excellent brood cows.

One does not make it through 65 sales by chasing the latest trends. This set of bulls is one of the most consistent we have ever offered. We feel that every bull offered up for sale is good enough that we would use it in our operation. In our program, we put an emphasis on quality, trouble-free females with length, muscle, good disposition, sound feet & legs, good hair, and excellent bags. These bulls are an extension of that program.

We believe bulls that are not fed hard, but have the opportunity to grow, will have longevity. The bulls were never creep fed. We feel that not creep feeding allows the best opportunity for evaluating the cows. They were raised on a high roughage ration then turned out on grass for the summer as yearlings.

Our auction will be the same as last year. There will not be a sale order and we will be using a horse race style format. We know that it may be new to some, but we feel that not being restricted by a sale order will benefit our customers. How often have you said, "Who made this sale order anyway?" The bidding will still occur over a several day timeframe, which gives our customers more time to compare the bulls. You can come view the bulls at your convenience. If anyone does not feel comfortable with the bidding format, please let us know and we will have help available.

Thank you, The Jerry Knippling Family

R 0141 NORTH STAR 50B - #43495965

CED: +3.0 BW: 2.4 WW: 63 YW: 116 M: 40 MG: 71

50B was the top selling bull in Ridder's 2016 sale, out of one of their top cows. He has it all, great carcass, moderate birth weights, great disposition, longevity, exceptional females, explosive growth, and unmatched depth and thickness. Most of all he knows what his job is, siring 45 calves naturally his first year.

R 4067 NORTH STAR 29D (STAR POWER) - #43704582

CED: -4.0 BW: 6.1 WW: 70 YW: 116 M: 31 MG: 66

29D was our pick in Ridder's 2017 sale. 29D is a true POWERHOUSE, siring unmatched depth and muscle. The females look like they will make top end cows. He is going to be a true foundation sire.

UU DOMINO 3025 - #43364642

The top calf in Ridder's 2016 sale. 4C is a Cooper sired bull with about as much length and hind quarter as one can find. Look for more sons in the future.

ECR 2029 DOMINO 4041 - #43526906

CED: +1.9 BW: 2.9 WW: 60 YW: 86 M: 21 MG: 51

ECR 2109 DOMINO 7093 - #43850241

CED: +4.1 BW: 1.6 WW: 53 YW: 87 M: 32 MG: 59
