At the Ranch

Welcome!

Welcome to K&B Herefords Annual Production Sale. We are excited to offer a set of cattle that we are very proud of and have the utmost confidence in their ability to go out and do the job for both the seedstock producer and the commercial cattleman.

The yearling bulls we are offering are a very uniform, eye appealing set of calves with extra muscle and are sound in their structure. The two-year-olds are the kind of bulls that are ready to go to work for you. Really sound-footed, fault free bulls with muscle and eye appeal.

As an added feature this year we are offering eight elite heifer calves right off the top of our replacements. Included are our top two ET heifers by Bella 219Z. This is an opportunity to get in on two females we have high hopes for and a lot of confidence in their future influence. The maternal side of this industry has always been a focus of ours and we are very proud of our cow herd. These eight heifer calves should carry on that tradition.

The cattle may be viewed at any time that is convenient for you. Check out the videos on TheLivestockLink.com. Feel free to call and visit or ask questions.

Once again Thank You!

Polled. In the NFL all teams are looking for a quarterback with the "it" factor. 178J has "it." She is super cool fronted, great on her feet and legs, walks wide and square from behind with loads of natural depth and thickness. Excellent pigment and a great disposition. Flushmates, Lots 28, 29 and 32 are all outstanding which goes to the power and consistency of her dam, 219Z. Exciting young sire prospect, Prominent 21G and his \$87,000 dam, 45C, help make 178J such an exciting genetic package and what we feel is a future star donor cow!

Selling 1/2 interest: Buyer gets possession, 100% of her natural heifer calves, 50% interest in natural bull calves, 50% of all embryos, if odd # buyer gets the extra embryo, flushing costs will be shared.

Horned. The Dominate 308F x Bella 219Z mating is personified in this powerhouse female. 182J is loaded with natural depth and muscle shape yet maintains her broody, feminine qualities. She combines that with extreme length, a big top and great disposition. You can easily envision this powerful young lady putting out the kind of offspring with depth, muscle, length and quality that are in such demand today. Future donor cow.

Selling 1/2 interest: Buyer gets possession, 100% of her natural heifer calves, 50% interest in natural bull calves, 50% of all embryos, if odd # buyer gets the extra embryo, flushing costs will be shared.

K&B BELLA 219Z 1ET

DOB 3/29/2012 • REG. # 43326843

Bella is truly one of the elite cows of the breed phenotypically. She is flawless in her structure, beautiful uddered, feminine, good footed and has plenty of mass and muscle. Her first two natural calves are herd bulls: K&B Red Brand 417B and K&B Acclaim 622D. To date we have calves by her with eight different sires and she hasn't missed with any one of them. We own Bella with Hoffman Herefords, Thedford, NE, and her story is far from being written as her influence will be strong in both of our herds. Dam of lots 1, 2, 28, 29, 32, 40, 41 and 42 in this sale!

Scurred. 181 is another herd bull prospect from the Bella 219Z x Prominent flush. Flushmate to Lots 28 and 32 bulls and the Lot 1 heifer that we have high expectations for. This guy really catches your eye with his clean, extended front end and his big hind quarter. He's well marked and has two red eyes. We have a lot of confidence in all of these flushmates with the powerful genetics behind them.
