

32nd A & B Cattle Annual Bull Sale

1:00 p.m. Thursday

April 7, 2022

*at the ranch 7 miles south of
Bassett, Nebraska*

Cattlemen and friends,

Welcome to our 32nd Annual Bull Sale. In my letter a year ago I mentioned that we all were soon to be rewarded for the high quality protein source that all of you strive to provide for the world. I am glad to say that this has started to hold true and looks to continue for months to come.

I can't remember a time when we have ever been more excited to showcase a calf crop for your appraisal. The weather and growing conditions for the entire offering has allowed them to perform at levels we have never reached before. You will see that for the first time in history we will be showcasing some females out of our program. We feel that all of the females we are offering are a true replication of our cowherd and the females that we aim for to operate in the Sandhills of Nebraska.

We have the privilege of working with the best and most progressive cattlemen in America. This is something we don't take lightly as for most of you, the cattle business is your sole source of livelihood. You have a lot of choices where to select your genetics, please be rest assured knowing that your success is our top priority.

Our family could not do the things we do without the help of a great support staff. We value all of these folks as an active part of our operation. Coby White and his wife Lisa have been with us going on 2 years now and both have been great assets to our operation. If you get the chance to visit with Coby please do, he has first hand knowledge of the offering and the cow herd.

We welcome everyone to stop by the ranch at your convenience to view the bulls and females. Getting the opportunity to see and visit with you all about your operation is why we enjoy this business so much! If you have any questions about the sale or the offering please feel free to call Coby or myself at the numbers listed.

Everyone is invited to join us for an evening of viewing and refreshments Wednesday before the sale as well as one of Mom's great ribeye sandwiches on sale day.

Adam Sawyer

Congratulations...

**Jessica and Brian Slingsby
on their recent engagement!**

- PLUS ONE created excitement in the breed when he sold for \$68000 in the 2019 Benoit sale in Kansas. He is one of the most popular sons of Confidence Plus. A flush sister sold for \$200,00 in 2019.
- PLUS ONE is in the top 4% of the breed for \$Maternal. His elite EPDs for \$M and \$Grid make him an unusual low birth bull genetic package which we used on heifers.
- We purchased a breeding share interest in PLUS ONE in 2020.
