
E.D. ANGUS

23RD ANNUAL PRODUCTION SALE

SUNDAY • MARCH 19, 2023 • 2 PM MT
AT THE RANCH • ASHBY NE

E. D. ANGUS

Dear Cattle Producers,

Welcome to our 23rd Annual Production Sale. We appreciate your interest in our operation and the genetics we have developed since 1993.

We're pleased to offer you this set of thick, stout bulls. Several of the bulls will work on heifers. The sons of KG Justified are all pretty much safe for heifers, they're all moderate framed bulls. The Marcy's Panhandle sons are certainly the "power group" if you're looking for some added weight on your calves. That Lot 420, he's been a standout since he hit the ground, earning the title of "Heaviest bull we've ever weaned", all done with just Momma's milk and grass, NO CREEP FEED.

Because of the mud and accumulated snow in last year's sale location, we're planning on selling back at our home place on the west side of Ashby. We felt it was just easier on the livestock to not have to move them so many times.

This Winter season has been harder on all of our livestock and us too, as I'm sure most of you will agree, but the moisture we're getting from the snow melt is certainly welcome. I don't think dust will be a problem come sale day, finding a dry spot may be a little harder to do. The bulls have grown well despite their weather challenges the past few months.

As always, you can find updates on our website www.edangus.com. We've recently redid the website and are very excited to have a more easily manageable site. Many thanks to our young friend Kaitlyn Fishgrab who has brought our vision of the new site, to life, and she continues to manage our page.

If you have any questions on this year's offering, please don't hesitate to call us. We always welcome the opportunity to visit with you about your herd's needs. We look forward to seeing you on sale day.

Sincerely,

The Hebbert's

E.D. ANGUS

23RD ANNUAL PRODUCTION SALE

SUNDAY • MARCH 19, 2023 • AT THE RANCH • ASHBY NE

Auctioneer • Matt Lowery • (308) 750-6119
Sale Day Phone • Clint Hebert • (308) 458-7354
Buyer Representative • Dan Otte • (308) 360-0236
(Buyers unable to attend may send their bids to representatives listed above)

Announcements:

Announcements from the block on sale day take precedence over the catalog.

EPD's & Our Website:

The American Angus Association now updates EPD's weekly. The information printed in this catalog is as of March 1, 2023. We will also post yearling data and scrotal measurements for each bull once weights and measurements have been completed prior to sale March 19, 2023 on the website, www.edangus.com.

ALL BIRTH WEIGHTS PRINTED IN THIS CATALOG ARE ACTUAL SCALE WEIGHTS.

Registration papers:

Registration papers will be transferred to the bull buyer at no cost to the buyer.

Calving Ease:

In the information for each lot, we have marked those bulls which we think will work on heifers.

Terms & Conditions:

All bulls sell under the terms & conditions of the American Angus Association.

Herd Health:

All bulls and heifers are BVD negative. All cattle have received the following: Alpha 7at birth; at branding they received Nasalgen 3 PMH, Multimin Injectable and Dectomax Injectable. Preconditioning the bulls received Vision 7, Vista Once, Dectomax & Multimin Injections and Permetrin pour on.

Retaining Interests:

E D Angus is retaining 1/3 interest in all bulls sold, unless otherwise stated in catalog or on the block. This does not restrict the buyers use since bulls sell with full possession. Very few bulls will actually be collected and when it does occur, we will work with the buyer at their convenience.

Wintering & Delivery:

We'll provide free delivery up to 150 miles radius of Ashby. Bulls will be wintered until April 1st, heifers will be delivered the week after the sale. No boarding of bulls or heifers available after April 1st, 2023.

Liability:

All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or the safety or behavior of the animals. The owners and their staff assume no liability for property loss or any accident that may occur.

Catalog Design & Typset by: JC RANCH DESIGNS • Jessamyn Voss
Printed by LIVESTOCKDIRECT.NET

LOSS OF USE/MORTALITY INSURANCE OR BREEDING SEASON GUARANTEE

E D Angus bull buyers will have their choice of the Accident, Sickness, Disease-Infertility insurance coverage (Option 1, Option 2, Option 3 or Option 4) coverage OR the published Breeding Season Guarantee listed on page 2.

E D Angus will pay 1/2 the cost for the option the buyer chooses: Option 1 (3%), Option 2 (5%), Option 3 (6.25%) or Option 4 (8%) of the purchase price, the remaining equal percentage will be added to the buyer's invoice, if the buyer chooses the insurance coverage over the breeding season guarantee.

The policy will be in effect for one year from the date of purchase. A representative of Martin Trudeau insurance will be available on sale day to answer questions on coverage.

LIVESTOCK INSURANCE

- 6% [] **OPTION 1: All Risk Mortality (ARM)–100% Indemnity Bulls & Females**
Livestock Mortality Insurance is extended to indemnify the livestock owner for loss as a result of the death of an animal from natural causes, disease, accident or humane destruction to alleviate incurable and inhumane suffering resulting from a covered peril. Short term policies available.
- 11% [] **OPTION 2: ARM + Accidental External Injury (ACC)–80% Indemnity Bulls Only**
Mortality coverage plus coverage for injury causing Permanent Infertility (broken penis or stifle). In addition to coverage above, this also includes Total and Permanent Infertility (fever or infection causing infertility or disease). Requires a current Veterinary Certification (not over 30 days old).
- 10,000
max value
12.5% [] **OPTION 3: ARM + Accident Sickness & Disease Infertility (ASD)–80% Indemnity Bulls Only**
Mortality Coverage plus coverage for injury causing Permanent Infertility (broken penis or stifle). In addition to coverage above, this also includes Total and Permanent Infertility (fever or infection causing infertility or disease). Requires a current Breeding Soundness Evaluation (not over 30 days old).
- 16% [] **OPTION 4: ARM + Comprehensive Infertility (COMP)–85% Indemnity Bulls Only**
Covers all of the above, plus Frozen Testicles, Testicular Degeneration and infertility caused by abnormalities. Also pays 20% of insured value for temporary infertility of 21 days or more. This does not replace the Breeder's Guarantee. Requires a current Breeding Soundness Evaluation (not over 30 days old).
- ALL OF THE ABOVE COVERAGES ARE SUBJECT TO APPLICABLE DEDUCTIBLES AND/OR COINSURANCE, MINUS SLAUGHTER VALUE.

E D Angus participates in the Maternal Plus Program

MaternalPlus provides Angus breeders and their customers the information they need to make effective selection decisions. It's a voluntary, inventory-based reporting system designed to capture additional reproductive trait data and, ultimately, expand reproductive and lifetime productivity tools.

Visit AAA Login or contact the Association for more information

BREEDING SEASON GUARANTEE

All bulls selling for \$4,000 or more will be covered 50% by E.D. Angus, if they are injured during their first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls.

Fifty % of the value of the injured bull, minus any salvage value, will be given as credit in a future sale or toward a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should injury occur and prior to animal being sold for salvage. A copy of the sales receipt must be received by E D Angus to receive proper credit. All claims must be made by September 1, 2023.

Example 1: A \$8,000 bull is injured and will not heal. A credit of \$4,000 minus any salvage value will be given the buyer.

Example 2: A \$4,000 bull is injured and will not heal. A credit of \$2,000 minus any salvage value will be given the buyer.

Example 3: A \$3,900 bull is injured and will not heal. No credit is given. Buyer retains all salvage value.

This is not a mortality policy. Nor does it cover mismanagement or neglect. Should you desire additional coverage, mortality coverage can be arranged through Martin-Trudeau. We urge you to buy mortality insurance on all bulls sold here at E D Angus.

Justified offers a unique combination of calving ease, growth and carcass quality, with very good docility and heifer pregnancy rates. He is appreciated as a sire of body mass, muscle, foot and udder quality all in an attractive phenotypic package. We would keep any of these Justified sons to work in our herd.

Black Iron progeny performance continue to dominate the weaning weight scale for us, topping bulls, heifers and steers. Mothering instincts, udder structure, and milk production. Black Iron ranks in the top 1% of the breed for WW EPD, YW EPD and \$F value. An injury prevented us from keeping this bull to use in natural service, but we continue to use Black Iron semen on our cows, his progeny are always the heavy weight calves at weaning.

We selected Payweight as one of the top selling bulls in the 2017 A & B Cattle sale. He sires easy fleshing moderate framed cattle. His WW EPD is in the top 25% & \$M ranks in the top 15% after 4 calf crops, yet his YW EPD shows that he's able to keep progeny mature size in check. He was injured this fall in bull pen ruckus and went to town as the injury was not going to heal". 2022 will be our last calf crop from him.

We went looking for a new source of "power genetics" for our herd and found "Pandhandle". He is long bodied, has excellent rib shape, loads of performance, easy fleshing ability and carcass quality. His five sons in this sale certainly follow in his hoof prints, with their depth, shape and performance, including Lot 420 who has earned the title "Heaviest bull we've ever weaned"!! Looking to add some pounds in your next calf crop, be sure to look up these sons on sale day!!

We selected Ashland as one of the top selling bulls in the 2021 Daigger-Orr bull sale. We considered his phenotypical profile in combination with his performance and EPD set, as the top bull in their sale. We're eagerly awaiting his daughters to reach breeding age. We've collected his semen and plan on breeding him to our heifers this coming spring!! He is the bull in the pasture that "catches your eye" the minute you see him.
