Welcome to our 7th Annual Bull Sale!

What an exciting time to be in the cattle business. We are super excited about the cattle we are offering on this year's sale. I want to take a moment and thank everyone that has helped us put this sale together. As you look through the offering of cattle that we have for you this year, please feel free to contact us with any questions that you may have. We also want to welcome our guest consigner this year...Jon, Vicki and Camiel Blomme with CB2 Cattle Company. All the bulls have been semen tested and have passed a soundness exam. We are very confident you will find a bull that can fulfill your needs. We will be offering yearling bulls and some aged advantaged bulls this year along with some open heifers and bred females. The cattle will be available for viewing starting on Friday afternoon, April 4th, and up to the sale time. Thanks again for your interest in our 7th Annual Sale and we hope to see you at the sale.

Terms and Conditions

Cattle sell under the standard terms and conditions as recommended by the Red Angus Associations of America.

Breeding Guarantee

All bulls selling for \$4,000 or more are guaranteed for the first breeding season. A breeding season is defined as the 90-day period following the first turnout of the bull. If a replacement bull is available, it will be provided. Otherwise, credit will be given in the following sale towards a bull, less \$2,000 salvage value. Any potential injury must be diagnosed by a veterinarian. Pladsen's must be notified prior to selling of any injured bull, and all claims must be received no later than October 1, 2025.

What a way to start off the sale. This Red Eagle son is one of the best bulls we have raised to date. He offers so much more than just being impressive from the two-dimensional view, he is wide backed, powerful hipped and high performing. This past year his full sister was crowned champion red angus at the Iowa Beef Expo and Iowa State Fair. This kind of bull doesn't come along very often so don't miss out.

Here is a Bocephus son that has been a standout since day one. M112 is stout made, moves with ease, and has a great deposition. He is the type that will make a quick and potent influence on the profit margins of your calf crop through injecting additions of pounds and carcass yield in the first generation. You do not want to miss this bull on sale day.

This PIE Captain 057 bull is one that will catch your attention as soon as you walk into the pen. He's long bodied, deep sided, heavy muscled, and is very athletic when you put him into motion. He is a bull that is going to give your calves some presence without sacrificing muscle shape and performance in his offspring. He ranks in the top 25% on BW, 12% on WW, 15% on YW, 21% on ADG, 1% on Milk, 14% on YG, 9% on REA, and top 30% on Herd Builder. This bull is one we are very excited about and one that could do a lot of big things for his new owners program.

Another PIE Captain 057 son here that we are really proud of. There is a lot of consistency with these Captain sons that is very noticeable & just like our others here is another one that you have to appreciate when you get behind him. He is thick and big backed, carrying plenty of bone and is big footed. If you like them deep sided with a ton of body this is definitely the bull for you. He is ranking in the top 9% on WW, 7% on YW, 5% on ADG, and 2% on Milk.
